

## Apply Now: Spring and Work Placement Programmes

Application Deadline: Wednesday 4 January

### **Spring Programme**

Whether you have thought about a career in the Investment Banking industry or not, this two-week Spring Programme is a great opportunity for you to understand more about what we do, be challenged in this dynamic, diverse and creative environment and explore future Internship and New Analyst opportunities.

Our Spring Programme is suited for first-year students on a three-year course and second-year students on a four-year course. While your degree subject is not important, we are looking for individuals who can balance teamwork and competition, intensity and integrity, intellectual curiosity and leadership potential with a passion for excellence and an interest in the financial markets.

As an intern you will be working on real projects and have real responsibilities. Programmes held in London will be hosted by the following divisions:

- Finance
- Global Investment Research
- Investment Banking
- Investment Management
- Operations
- Securities
- Technology

### **Work Placement**

Take up the opportunity of a one year Work Placement in the Finance, Global Investment Research, Human

We invite you to visit our People Page to hear what employees, including recent graduates, have to say about working here.

Capital Management, Investment Management, Internal Audit, Operations or Services divisions.

This is an opportunity to gain industry experience and test drive a career in financial services before returning to your final year at university.

Along with the rest of the Work Placement class, you will receive ongoing training, based on your specific skill needs and interests, to bolster your professional development through learning in the workplace.

This programme is suited for students, usually in their penultimate year of study, who are interested in a Work Placement as part of their degree. Please note, if you are applying to one of our European offices, you will need to be able to speak the local language.
